CLIK

– New form of air

The market's most functional and stylish supply air diffuser is now available. We have developed a product that represents the most revolutionary design and sharpest technical knowledge in its field.

PERSONALIZE TO YOUR OWN TASTE

Thanks to its changeable cover, CLIK supply air diffuser is suitable for any room either faded to the background or emphasized as an interior decoration element. Beside to the basic white cover, stylish black, dark beige, warm or cool shades of metallic and trendy golden yellow are also available.

RAL 9005 RAL 1035 RAL 7032 RAL 9006 RAL 1007

Modern and
stylish
design.

Two installation
options:
flush and
surface mounting.

Splendid with
different
interiors.

Pleasingly
silent
to use.

Purely functioning style

Additionally to its exquisite appearance, CLIK supply air diffuser is easily adjustable, effortlessly maintainable and silent in use.

EASY TO CLIK OPEN

Thanks to its unique opening mechanism, the cover of CLIK is extremely easy to CLIK open during maintenance and adjustment.

SUITABLE FOR DIFFERENT LOCATIONS

CLIK is the markets best supply air diffuser for premises with small 10-25 l/s airflow. For instance, it is suitable for homes, hotel rooms, office premises, retirement homes, hospitals, kindergartens and schools. CLIK is ideal for rooms with mechanical ventilation system and high requirements considering draft and noise levels.

Easy and brilliant adjustment

CLIK is extremely easy to install and pre-adjust with the help of protective sheet delivered with packing. The protective sheet also protects the cover of the product efficiently during delivery and before commissioning.

DOES NOT CAUSE DRAFT

Due to unique construction of CLIK, the supply air spreads over a wide area of the room and easily mixes with the indoor air. With CLIK, even air distribution without draft is achieved in the entire room.

Technical pioneering

- + Good mixing ratio
– silent and without draft
- + Easy and brilliant pre-adjustment with protective sheet and effortless maintenance
- + One product, two installation options: flush and surface mounting
